

Top Draw[®]

Easy-on, easy-off convenience for enhanced efficiency and premium performance

Our draw tape can liners give new meaning to speed and convenience. First insert the Top Draw liner into your receptacle, stretch the draw tape over the rim, and the liner snaps into place. The bag fits snugly and resists slipping as trash accumulates. When filled, draw the tape tight and pull the bag out. Quick, clean, and easy.

Features

- Made from premium LLDPE resins for superior puncture and tear resistance
- Fast and hassle free—simply pull draw tape to close, lift, and carry easily
- Enhanced efficiency—eliminates bag tie-offs
- Helps reduce wasted film at the top of bag from tying
- Tough seamless bottom
- Available in black, white, blue, and clear, and in thicknesses from .8 mil to 1.4 mil
- Convenient interleaf, coreless rolls that are easy to handle and store on a shelf or cart

Premium Linear Low Density (LLDPE) Interleaf Coreless Roll Can Liners
